Date: 1891

Location: 325 Heath St. Boston, Suffolk Co., Massachusetts.

Architect: Frederick N. Footman

Significance: In the last half of the 19th century, the growth of the German Community in Roxbury, together with the presence of several important springs, encouraged the establishment of more than a dozen breweries in Roxbury. The American Brewery remains today one of the most elaborate and intact of Boston's surviving breweries.
